The European Disability Forum (EDF), CBM International and Handicap International will hold a roundtable discussion to advance on commitments to the Convention on the Rights of Persons with Disabilities (CRPD) and the Charter on Inclusion of Persons with Disabilities in Humanitarian Action. Attendees will also hear first-hand experiences from organisations of persons with disabilities and NGOs in emergency contexts, and discuss collective next steps at political and operational level, especially from an EU perspective.

The event will take place at the sidelines of the 4th European Parliament of Persons with Disabilities ([EPPD](#)), organised by EDF and the European Parliament. It is organised in the context of the European Disability and Development Week ([EDDW](#)), by the International Disability and Development Consortium ([IDDC](#)).
